

“Filling the Gap” — Flagship

Answering the fairness call • Perpetual fund • 7 milestones

Mechanism & Milestones

The Fairness Gap

Rising costs and volatile incomes have left households exposed. Traditional aid often exhausts capital. We preserve the fund while restoring footing through a managed cycle.

- Corpus preserved; support delivered via structured advances.
- Managed restoration cycle; downside safeguarded with clear limits.
- Verification without voyeurism — minimal, meaningful metrics.
- Milestones: M1 consent → M7 habit formation and anchoring.
